*These records represent the history of C.S. Lewis Academy varsity sports since 2002-03, the first year of the combined C.S. Lewis Community School and Chehalem Valley Academy.*

*The records were constructed from a variety of sources for inclusion in this publication. These include archived records, yearbooks and information on OSAA.org and OregonPrepSports.net. There are noticeable areas (blank spaces) where information was not available. This is meant to be a “living document” and as we verify new information, the publication will be updated. If you have access to any of the information missing or in error please contact the CSLA Athletics Office. Any supporting documentation (newspaper clipping, team stats, etc.) as verification would be appreciated.*

# History and Traditions

## School Colors ~ Crimson/Gold/Black

**CRIMSON:** Symbolically, crimson was associated with power, importance, and specific religious meanings. Biblical, crimson symbolizes the blood of martyrs or the presence of God. Crimson is also strongly associated with humility and atonement, and it is the liturgical color most strongly associated with Pentecost. Crimson is used to describe fine materials and sin.

**GOLD:** Gold symbolizes divinity, immortality, and God's glory as something of worth or great value. Gold is associated with that which is Holy to God. "Make a plate of pure gold and engrave on it, as on a seal: HOLY TO THE LORD." (Exodus 28:36 NIV) and used to describe the precious nature of His Word and Law: "The fear of the Lord is pure, enduring forever. The decrees of the Lord are firm, and all of them are righteous. They are more precious than gold, than much pure gold; they are sweeter than honey, than honey from the honeycomb." (Psalm 19:9-10 NIV)

**BLACK:** A triad of colors was created when Black was added when C.S. Lewis Academy merged with Open Bible Christian School in 2013-14. The school colors of Open Bible were Red and Black, so as a reflection of the transition motto of "better together" Black was added as an official CSLA school color. Black symbolizes the sinful nature of man. It helps emphasize the significance of the sacrifice of God's Son and the redemption of man through the flow of Christ's blood. "But God demonstrates His own love toward us, in that while we were still sinners, Christ died for us" (Romans 5:8 NKJV).

## School Nickname ~ The Watchmen

C.S. Lewis High School chose the Watchmen mascot because of his representation of the Christian life. In the Old Testament, the Watchman had a two-fold purpose. First he was found guarding the fortress. He did so by constantly watching out for any approach of the enemy. "*Then the watchman called out like a lion "O Lord I stand watching from the watch-tower at all times during the day. And I stand there every night."* Isaiah 21:8 NLV

The second function of Watchmen was to watch for the King and his army as they returned from battle. Upon seeing the King returning, he would announce to the kingdom that the King is coming. "*I have set watchmen upon thy walls, O Jerusalem, [which] shall never hold their peace day nor night: ye that make mention of the Lord, keep not silence.* Isaiah 62:6 KJV

As Christians we are like Watchmen, constantly vigilant for the enemy's attack and watchful for the return of our King, Jesus Christ, being in a place of prayer and intercession.

## School Mascot ~ Aslan the Lion

Aslan of course has strong ties with author and school namesake Clive Staples Lewis and therefore makes the perfect mascot for our school. Aslan (Turkish for "lion") is the main character in C. S. Lewis's *The Chronicles of Narnia* series. Aslan is depicted as a wise, compassionate, magical authority (both temporal and spiritual); mysterious and benevolent guide to the human children who visit; guardian and savior of Narnia. C.S. Lewis described Aslan as an alternative version of Christ; that is as the form in which Christ might have appeared in a fantasy world. Throughout the series it is stated that Aslan is "not a tame lion" since despite his gentle and loving nature he is powerful and can be dangerous. Symbolically then, Aslan plays the role of a Watchman for all of us.

# Watchmen Fight Song

We are the Watchmen  
Standing guard o'er the fortress  
We will fight for the kingdom  
To defeat the enemy

Raise up the banner  
Lift your voice in an anthem  
Hear the sound of the Watchmen  
As we march to victory

Swords lifted to the sky  
We praise the Lord on high  
Hear now the Watchmen cry  
That reigns forever

Watchmen mighty, Watchmen bold  
In our hearts the truth we hold  
The power of the red and gold  
Will triumph evermore

## Team Award Definitions

**Most Improved** – Showed the most improvement throughout the season or from last season to this season.

**Most Valuable** – Team's top player/participant. This should reflect on skill and attitude/impact on the team.

**Watchmen Award** – Most exemplifies the Lord's and CSLA's standards and expectations of a Christian student-athlete. Shows strong character, Academic commitment and made an inspirational and spiritual impact on the players around them.

## OSAA Cup

### About This Award

The OSAA Cup began in 1999 as a way to recognize overall excellence by schools in academics, activities, and athletics. The award honors a school's students, teachers, coaches, and the entire school community. The Oregonian sponsored the cup from 2002-2017. The cup is currently sponsored by Pacific Office Automation as part of their increased focus on supporting Oregon's high school community.

Schools earn points based on their participation and finish in OSAA State Championships and for Top 10 finishes in the OnPoint Community Credit Union Academic All-State Program. A sportsmanship component, whereby schools are awarded points each season for having no ejections, is included as well. The points are updated and released at the end of Fall and Winter seasons and totaled at the end of the year. The school earning the highest points in each classification receives a commemorative trophy from Pacific Office Automation and the OSAA.

### OSAA Cup Point System

The OSAA Cup recognizes overall school excellence in academics, activities, athletics and sportsmanship. The guiding force behind these point breakdowns is that every school that has a team or individual qualify for our state championships deserves point recognition. The amount of points is meant to be equitable across all activities with differences based on the number of teams and/or individuals participating. Teams that win a state championship will earn the same points regardless of the activity.

### Academics

Schools receive points for having teams participate in the OnPoint Community Credit Union Academic All-State program. Schools receive 25 points for a team with a 3.0+ average but not in the Top 10. Schools with teams in the Top 10 in an activity receive points using the scoring breakdown listed above. The overall winner in an activity receives 200 points. Schools with teams that finish atop a classification but not overall receive 175 points. Ties for the overall winner or first place in a classification are awarded the same points. All other ties are split between the places. 50% of all academic points earned will be counted toward the final OSAA Cup standings.

### Sportsmanship

A sportsmanship component was added to the calculations in 2001-2002. Schools receive 200 points per season (Fall, Winter, Spring) for having no ejections. 100 points is subtracted from a school's total for each varsity ejection of a player or coach.
